

NEWSLETTER NOVEMBER 2013

OUR WONDERFUL VOLUNTEERS

How can we thank you enough for all the love you share with the children in so many different ways.

It is very sad to say goodbye and always so many tears.
We could not do any of this without you.

YOGA CLASSES WITH DEBBY

**Debby comes each week together with her gorgeous little dog (who Agus especially adores) and does Yoga with the children.
We cannot her thank her enough for donating her time and love to our children who love their classes with her.**

VISITORS – 100 in one day!

Wow, we have never had such a large group of visitors but what a wonderful few hours everyone had.

Thank you to all the truly special people who visited from Platinum Property Partners.

The children & US really enjoyed your visit and hope you come back again one day soon.

BALINESE DANCE CLASSES

Learning the art of Balinese dance is giving our children confidence and of course great joy in doing something they love so much.

HEALTHY DIET

We encourage a well-balanced diet and our children are lucky enough to be able to have fresh milk once a week which they LOVE as you can see.

**THANKS AGAIN TO EVERYONE WHO HELPS US AND THE
CHILDREN AT**

JODIE O'SHEA...
